Technical Information & Specifications

Reservations for sponsorships of \$3,000 and up must received by September 26, 2008 to meet printing deadlines.

Documents should be submitted as .eps, .pdf or .tif files ready for placement.

MS Word or Publisher files cannot be accepted as final ads. If you need to use these please convert them to .pdf files at high resolution of 300 dpi or higher.

Photos and logos in other programs need to be supplied as .tif or .eps files for ad placement. Photos need to be exact size and 300 dpi resolution.

Photos on websites will not reproduce well in print as resolution is too low. Line art should be between 600 & 1200 dpi tiff files in black & white.

Images for your ads may be either a photo or your company logo. Logos and photos combined may not be appropriate in smaller sizes.

If you have any questions, need image sizes, or need assistance in ad preparation please contact our office before you produce your ads.
